To the Class of '46

Quod Minimis Mihi Fecisti

To-day and here the fight's begun,  
Of the great fellowship you're free;  
Henceforth the School and you are one,  
And what You are, the race shall be.  
God send you fortune; yet be sure,  
Among the lights that gleam and pass,  
You'll live to follow none more pure  
Than that which glows on yonder brass.  
—Henry Newbolt.

# HONOUR ROLL

The following is the list of nurses who served in the armed forces either here in Canada or in the forces of the United States. After the last war 1914-1918 an honour roll was made which if you recall hangs in the residence on the main floor. Sister Mary Kathleen is most anxious to have the new honour roll for the 1939-1945 conflict completed. Anyone having any information which will aid in getting this list completed as soon as possible please contact the residence office. We are also anxious to know the names of those nurses receiving any honour or those who were mentioned in dispatches.

## EDITORIAL

Once again we start a new year, for the News. We have tried to bring our list of addresses up to date, but would appreciate any changes.

May we draw your attention to the page featuring the Honour Roll? It is important that this be accurate. Won't you please co-operate by pointing out errors and making any necessary additions. Here's to a bigger and better year for the News—with your co-operation.

The Editors.

\* \* \*

Our readers will be glad to know that Mary Ballantyne for many years on the City of Toronto Public Health Nursing Staff, is making a good recovery from her recent illness.

Ella O'Boyle, who has been a patient at St. Michael's, has returned to her home. This will be good news for everyone. Keep up the good work, Ella!

Marion Ball '39, was received into the Order of the Sisters of the Precious Blood, Toronto, in May, 1946. Her name now is Sister Mary Monica. Sister Monica along with four other Sisters have left for Hamilton, Ontario, where they will open a monastery. Please remember Sister in your prayers as we know she never forgets the graduates of St. Michael's in her devotions.

We were the recipient of a charming little note from Vera McMullen. She tells us that she is home and gradually getting stronger and is amusing herself by learning to smock, but principally she wrote to tell us how much she enjoyed "The News." Thanks a lot, Vera, we surely appreciate your thought of us, coming as it does from our very special ex-reporter!

Many St. Michael's nurses were present at the splendid reception given His Eminence James C. McGuigan, at Maple Leaf Gardens, on his return to our city. A special group of nurses in uniform were on duty, ready to cope with any emergencies that might arise.

## Alumnae President's Message to the Graduates

### To the Graduates of 1946:

To-day is Graduation. All of you must feel very jubilant and proud, and rightly so, for it is the completion of that desire, which was prompted by the wish to assist one's fellowman.

The nursing profession offers a wide variety of opportunities and the theoretical and practical application of a wealth of ideas.

Our Graduates are well represented in various parts of the world. During the past few years they have excelled both in war-work and at home. You may be proud to share this reputation which has been established by former graduating classes, and which you will now carry on.

Step by step, under the able guidance of the Sisters, and your lay instructresses you have travelled the path of knowledge and to-day you have reached a goal.

We are glad to welcome each and every one of you into our Alumnae, and on behalf of the graduates of St. Michael's Hospital, I wish you every success and happiness.

Margaret Regan '41

Who breaks into print oftener than photogenic Phyllis Harding '38? Phyllis was interviewed recently by a Star reporter in an article on Air Stewardesses. Imagine our Phyllis being featured as first group to be written up in a series of articles on Career Women.

Helen Sexton '31, has resigned from the Fever Therapy Department.

Mary Stanton '37, has returned to her home after a lengthy illness. Mary plans a trip to Calgary this summer to visit her aunt, Mrs. Murray McCaffery (Bea Gough '21).

Bea tells us that she would love to see any St. Michael's nurses who are visiting Calgary.

We are all sorry (oh, yes) to hear that Florence Dewan's Guffie has passed on . . . now we are wondering if it wore a red or a blue bow?

## Undergraduate Activities

Seventy-five delegates of Niagara Peninsula attending the Archdiocesan Sodality held in February at the Royal York Hotel, were guests of the Sisters at St. Michael's Hospital, Toronto. Buffet luncheon was served by the student-nurse sodalists.

Student nurses attended daily Mass during Lent. Spiritual reading on some phase of the Passion was read by a student during breakfast.

Reverend Mother St. Brigid, Superior General of the Sisters of St. Joseph, Toronto, spoke to the Student Sodalists at St. Michael's Hospital.

The final presentation of "Hamlet" by the Senior Class was enacted on Friday evening, April 12th. Following the play there was the initiation of the 24 preliminary students who entered in January. Lunch was served during which each class sang their class song.

Reverend Hugh McGettigan, S.F.M., of the Catholic Chinese Mission of Toronto, was guest speaker at the Sodality meeting at the Nurses' Residence on Monday, April 15th. Father expects to return to China soon.

On March 15th the preliminary students entertained the members of the Graduating Class. The March 17th playlet and musical talent of the class along with the refreshments helped to make the evening a very happy one.

Burneice Carr '47.

We are glad to report that Florence O'Reilly, who has been on the sick list is much better and back on duty again.

Rosella Lee Harding ('36), entertained at a shower for Kay Hodgins before her recent wedding.

Mrs. T. Gaffney (E. Casey '29), who was in Hospital here for a slight operation, was the guest of Mrs. G. Snell (Jean Parkinson), and much feted before returning to North Bay.

Nora Nelligan Smith '41, who now resides at 63 Melrose Ave., Hamilton, informs us that her two daughters, Elizabeth and Sheridan, keep her quite busy.

A charming shower was held at the home of Louise Richardson by the members of the class of 1940 for Josephine Kelly, a bride of May.

## WHY

The law the lawyers know about  
Is property and land;  
But why the leaves are on the trees  
And why the winds disturb the seas,  
Why honey is the food of bees  
Why winters come and rivers freeze,  
Why Faith is more than what one sees  
And Hope survives the worst disease  
And Charity is more than these,  
They do not understand.

## Reception . . .

Following the graduation exercises a reception for the graduates and their families and friends was held in the Nurses' Residence. Sister Superior and Sister Mary Kathleen, Superintendent of Nurses, received the guests as they arrived.

Benediction was given in the chapel by Father Lacey for the graduates and their guests.

## ... The Graduation Dance ...

In honour of the graduates of 1946 the Alumnae Association held a dance on June 10th, in Eaton Auditorium. Under the direction of Miss Dorothy Callaghan '37 and Mrs. Alan Richards '43, the event was very successful.

Guests were received by Miss Margaret Regan '42, president of the Alumnae; Mrs. Hagar Hethington, President of the Women's Auxiliary; Mrs. G. Wilson, Miss D. Callaghan and Mrs. Alan Richards.

To the music of Stanley St. John the dancers thoroughly enjoyed the evening. The pretty evening gowns that peace time has brought back enhanced the beauty of all our lovely girls and added a good deal of grace to the ball.

## Sister Superior's Message to the Graduates

"The traveller along the dusty highway of two centuries and a half can still detect her presence revealed by the matchless perfume of her virtue and noble achievement that lingers around the places that had known her."

Thus a well known author refers to Jeanne Mance, the First Canadian Nurse. Thus, too dear Graduates of 1946, may we refer to every true nurse. You as no one else can help heal the evils of the day by your loyalty, patience and charity. You go forth from your Alma Mater skilled in your profession. May you have the faith and the courage to fulfill your responsibilities as noble women in a noble calling.

St. Michael's wishes you God Speed!

Ruth Brownell was a patient in St. Michael's Hospital during May.

Betty O'Neill '44, and Nora Adams '40, are on the staff of Christie St. Hospital.

**IN MEMORIAM**

The death occurred at St. Michael's Hospital, in March of Jule Kerr, after a short illness. Jule graduated from St. Michael's School of Nursing in 1920 and since that time has lived quietly at home devoting much of her time to her music. Requiem Mass was said at St. Basil's Church. We extend our sincere sympathy to her family and friends.

**We Extend Our Sympathy to - -**

Mrs. Herbert Maloney (H. Grossman '20) in the death of her mother at Teek Hughes, Kirkland Lake, Ont.

Helen Grace O'Connor in the death of her sister, Mrs. Melady, who was also the aunt of Norma O'Connor.

Lorraine Larsen '37, on the death of her father.

Sister Helen Marie on the death of her brother.

Mrs. Gerard Charters (Loretta Dillon '22) on the death of her father.

Doctor Jim McCormick on the death of his brother.

Al. McNamara, '34, on the recent death of her mother.

Kay Kennedy on the death of her sister.

Kathryn Hart '49, on the recent death of her father. Miss Hart is a student.

Laura Tobey, '38, in the recent loss of her father.

Clare Ashlee, '35, on the death of her mother.

**Rededication and Memorial Service**

On May 5, 1946, the R.N.A.O. sponsored its annual rededication and memorial service.

The Catholic Nurses had the privilege again this year of holding their service in St. Michael's Cathedral. Reverend Father McQuillen preached the sermon during the holy hour and it was followed by Solemn Benediction of the Most Blessed Sacrament.

The altar was most beautifully decorated with flowers and the choir under the direction of Doctor Ronan sang many hymns in honour of Our Lady.

The nurses recited their Act of Consecration to Our Lady in the service to the sick.

This was a most memorable occasion since the nurses had the great honour and privilege to receive the Papal Blessing.

The nurses looked very dramatic in their uniforms. There was a splendid attendance from St. Joseph's, Our Lady of Mercy, St. Michael's and St. Mary's Hospitals.

We trust that more graduate nurses will see their way clear to coming to the devotion next year in uniform.

**GOD AND PRAYER**

If radio's slim fingers  
Can pluck a melody  
From night and toss it over  
A continent or sea;  
If songs like crimson roses  
Are culled from thin, blue air,  
Why should mortals wonder  
If God can hear their prayer?

The reception took on the aspect of a reunion of St. Michael's graduates as those who came to honour Father also had an opportunity to meet friends they had not seen for some time.

Congratulations, Father Smith, and we trust you will have many more years, blessed and in good health.

## OUT-OF-TOWN LETTERS

Bracebridge, Ont.

Dear Kay:—

Just a note to tell you how much I enjoy the Alumnae News. Time seems to fly to fast, at present I've been working fairly steady at the hospital on the 4 to midnite shift. It is a 33 bed Red Cross Hospital and nurses are as scarce as "hen's teeth," so we married gals do our best to help out. As you know, with 2 kiddies and a big house, I don't get much time to myself. However, I'm very fortunate in having a high school girl who helps a great deal. The town people appreciate us going up and helping out at the Hospital, and they do what they can in letting us have their help.

Edna Valiquette and Marian and Bob Harrison were up to see me this summer and gave me considerable news of the Hospital. Wish a few more would journey up this way. Rita Caisse Burt is now in Halifax. She was here at her home until her husband came home from overseas then left us.

Our family is growing—Teddy will be four in May and Jo Anne 15 months—they spring up so fast, that they don't seem to remain babies any time.

My very best to everyone in the Alumnae, Kay.  
As ever

Dear Miss O'Connor:—

The enclosure will bring me up to date with my dues. Will you please see that I get my Alumnae News.

When I last saw Sister Jeanne in Sept., '45, she was asking me about the girls and their work in this area for the News. Since then Mrs. Wm. J. Kirk (Kathleen Walsh '34) is with Dr. Wm. Seaman Bainbridge in his office in Manhattan. I am now with Calco Chemical Division of American Cyanamide Co., in Bound Brook, N.J.

Sincerely,

Rhea E. Lockard,

15 Sigma Road,  
Bourlamaque, Quebec.

Dear Members of the Alumnae:—

I was very pleasantly surprised to receive your beautiful Christmas gift and good wishes. You have no doubt heard from Sister Jeanne and Sister Mary Kathleen that I was a patient at the Toronto General Hospital, for three months last spring. I am glad to say that the operation was a success and while I am not back to my former self yet, I hope to get around as well as ever soon.

Again thanking you for your kindness.

Sincerely,

Mrs. G. M. Priske (Alexandra Nicol '34)

Holy Trinity Hospital,  
Graceville, Minnesota

Feb. 6, 1946.

Dear Sister Mary Kathleen:—

You'll be surprised to hear from me at this particular time but as usual I am begging for help. As you'll notice by the letterhead, I have left Norfolk, Nebraska, and our beloved Our Lady of Lourdes Hospital and have taken up residence in Holy Trinity Hospital at Graceville, Minn. I, of course have to be registered in Minnesota, and that is where I need your help.

Our new little hospital—only 40 beds, was taken over on November 1st, and has an ideal location, just at the edge of a little lake. We have been filled to overflowing most of the time, and find it quite difficult to get help.

Kindest regards to Sr. Jeanne—we certainly appreciated having her with us in St. Louis at the Administration course.

Sincerely hope that you are both well.

Gratefully,

Sister Mary Bernadette, O.S.B.,

Dear Kay:—

I was really thrilled to receive your letter and to hear about St. Mike's and if I can give you any news of interest I will be glad to, but to tell the truth I never felt that my activities would be of any interest to anyone else but maybe they would.

It rather shocked me to realize last Sunday that it was 14 years that very day that I left behind the happy days of a student nurse. I still get homesick for those days.

I see that your address is 1830 Queen St. W., are you at St. Joseph's or Our Lady of Mercy Hospital? I worked at Mercy some time in 1940 as relief and liked it there very much; it seemed a little like home as Sister Fidelia was there.

My activities since leaving St. Michael's have been varied. In 1943 I took the Post Graduate course in Psychiatry offered at Whitby. It was the second year of the offering and was really worth while. I remained on the Ontario Hospital staff there on completion of the course and was transferred from there to Hamilton in April, 1935. In February, 1937, I had the opportunity, which I readily took advantage of, to go to Moshier Memorial Clinic, the Psychiatric Dept. of the Albany City Hospital, Albany, N.Y., but I was homesick and restless and transferred to Metropolitan Life Insurance San., near Saratoga, and was much happier there. In the Fall of 1938, I returned to Toronto with an illness that was corrected by a grand piece of surgery by Dr. Foulds in the summer of 1939. After recovering from my operation I remained in Toronto until Feb., 1941, when I went to the Payne Whitney Clinic, the Psychiatric Division of the N.Y. Hospital, a very old and very famous Hospital. It received its charter from King George III of England and is even older than the Union. While there I can't tell you how proud I was to be a St. Michael's nurse, I know "I bust a lot of buttons" and that must have been the reason. I met many from St. Michael's there, especially the late Dorothy McDevitt. After 8 months I resigned and did private duty and then I did meet St. Michael's graduates, at Neurological Institute—Anne McLeister, Mary Bilborough. I met others at the French Sisters' Hospital at Mt. Sinai and St. Luke's, I can't name them all, but it seemed I met one of our grads where ever I went.

I saw Eliz McAuley on 110th St. one night, but didn't get a chance to speak to her. A friend of mine who is a Supervisor at Women's Hospital told me she was taking a course there.

In June of 1942 I got married and we went down to Kentucky to live. My husband was with the Metropolitan Life Insurance then and was transferred to Hoentington, West Virginia, where our daughter was born. He left the Met. shortly afterwards and we moved up to Niagara Falls, N.Y., to be nearer home.

In the Fall of 1944 my husband became ill and was a patient at Memorial Hospital. While there with him I ran into Mary Dougherty. It was grand to see her again, she was on duty in the Nursery. My contacts with St. Michael's grads now are few. I often hear from and see Marion Hough. At the time I went to Payne Whitney, she went to Strachan Memorial in Rochester and from there visited me in N.Y. City and Kentucky. About the time I moved to Niagara Falls, she moved to Moss Taylor Hospital of the Bethlehem Steel Co., in Lackawana, and has been there ever since. I was talking to her last night and she comes over very often on her days off. I had a letter from Reta Brown months ago. I hope she sees this! and Orma Davidson. I hear more frequently from Anne McCarthy, but I guess you all hear more from them than I do.

I certainly didn't mean to write so much when I started but I seem to have got wound up and can't stop. One thing I have been very anxious to hear, is if our girls in the services have all returned home none the worse for their experiences. I would love to hear all about them. I am enclosing my fees in the hope that I will be brought up to date with the news. If I receive the notices of meetings I will try and get over and bring Marion with me.

And now at last my very best wishes to all the Sisters at St. Michael's and all the graduates past and present.

Dorothy Carter Rudolph '32

## RETREAT . . .

Beginning Friday, May 3, 1946, at 7.30 p.m., and ending Sunday, May 5, 1946, a retreat for graduate nurses was held at the Nurses' Residence. Rev. Father MacCollum, of the Redemptorist Order, was the retreat master. The staff nurses and the special duty nurses lived in residence for those days.

All who made it cannot say enough about it to express their enjoyment of it and how much they got out of it. As one nurse so aptly put it. "I made it this year because I felt that one could not refuse such an opportunity but next year I will make it because I really want to do so and wouldn't miss it, I enjoyed this one so."

Meals were held in the student nurses's dining room either before or directly after regular meals.

The lecture hall was turned into a chapel and all exercises and conferences were held there. The "Chapel" was lovely and did much towards ensuring the success of the retreat. We trust that this will become an annual affair as it was once.

N.S. Margaret Robertson is in the operating room in Weston San.

Mrs. Josephine Montemuro (Herringer '43) had an article published in the Canadian Nurse recently on Arthritis. Jose spent some time out at Banff at the hospital where there are many arthritic patients who come to the springs.

The September class of '38, had a small reunion at the home of Mrs. Molly McMullen Edmonds. Among those present were: Phyllis Harding, K. Miron, M. McGarrell, Margaret Neville, Mrs. Mildred Brown Fleming, Mrs. Bessie Dunn Watson and Mabel Gardiner.

Lt. Betty Burns writes that she arrived home from overseas two days before Christmas. They had a very stormy passage home and advocates the building of a bridge across the Atlantic. She says she was the first of her family in the service to get home and hopes to be assigned to a hospital close to home. Her tour of duty is up in June, 1947. Mary Kennedy '41, was on board ship coming home and it proved to be another re-union for them as they had met often while abroad. Before leaving they saw Muriel McConcker and K. Watson and took snaps which turned out quite nicely.

Peggy Heath '43, has recently been discharged from the Army and is back on the staff at St. Michael's.
